MOTOR CARRIER SERVICES | 2009 Goals

- Protect Montana's and the federal government's investment in Montana's highway system and assure the safety of the traveling public through customer service oriented regulation of the commercial motor carrier industry and enforcement of state and federal commercial motor carrier laws and regulations.
- Establish 24 hour per day/seven day per week availability of services to the commercial motor carrier industry through the Internet.
- Maintain or enhance commercial motor carrier size and weight compliance through the annual development of the Federal Size and Weight Enforcement Plan. Annually submit the Federal Certification of Accomplishment Report.
- Maintain or enhance commercial motor carrier safety compliance through development and implementation of Montana's Commercial Vehicle Safety Plan and Certification. Ensure continued federal funding for Montana's commercial motor carrier safety program by submitting and implementing a federally approved Plan and Certification annually.
- Decrease the number of commercial vehicle related crashes and fatalities by reducing the number of safety non-compliant commercial vehicles and commercial drivers and motor carriers who operate on Montana roadways through effective vehicle, driver and motor carrier compliance programs.
